News From the Leader of the Phlock:

Another month in the books and boy was it a hot one. Looks like we are in for a very hot summer! Great month of May with our happy hour featuring Dean Selzer, and boy did he blow the roof off River Rose. Literally a storm came through right at the end of the night which blew the roof off the outdoor area. We had a great turn out for our cornhole tournament and now onto June. June 8th, we have our highway cleaned up so look for the flyer to see the details. June 13th our happy hour will be at the Reverse at 1863 with JR Herrera. If you ever have any questions about the weekly upcoming events just ask and we will get you more information. Don't forget July 13th is the River Jam and registration is open for Phlip Phlop Phloat and Phling. MOTM is fast approaching it would be great to see a lot of our club in force. Stay hydrated and safe and we will see you down the road.
