News From the Leader of the Phlock:

August was hot but what a great happy hour with John McDonald and multiple house concerts that were just as much fun. Now here comes September with loads of parrot head events but the best will be Phlip Phlop Phloat Phling. It looks like the weather is going to be great this year with temps in the lower 90's, now if we can just hold off the rain for those few days. If you haven't registered, you still have time to do so at <http://www.canyonlakephc.com>. This is going to be a great time with tons of music, games and auction items. We have over 200 folks registered coming from all over the state and that doesn't count the artist. Remember no happy hour in September because of P4 and the pre-party. In October we will be at Breakwater Grill with John Patti. Don't forget to join the TRMA and get the Radio Trop Rock app on your phone. See you down the road.

News From Vice Prez Squawk:

Happy September Phlolck! It is here! Time for the best little event in Canyon Lake!! As I start this letter, it is the Official Jimmy Buffett Day. It has been a whole trip around the sun since our leader, mentor and influencer has left us to 'keep the party going'. So far, our little club has done a damn good job! But it is never a complete job! I hope you all have your tickets for P4, but if not and you still want to come, you can do a Day Pass or register at the event! It really is the best time and we can do so much with the money we raise. We have some fantastic music and lots of food, pool time and games!! Just bring your chair and your favorite beverage, and you will be all set!! Hope to see you there!! Just a reminder, we won't be having a happy hour in September. We will be having HH on October 10th at Breakwater Grill and Cantina. Phinz Up!!

August Happy Hour @ The Silos

Our Captain may be out of sight,
But he's never far away,
He's in the sea, he's in the sky
the harbour and the bay

His music rides the sunsets,
On beaches, boats and bars
He knows that we will listen
as he watches from the stars

Let joy return my feathered friends,
He taught us what to do
Breathe in, breathe out, move on
And take the weather with you too

The song he sings, those gentle
strings will guide us like the sun,
The harbour that he sings of we
will find, you know the one

So raise a glass, the pain will pass
Enjoy the memories,
Our Captains never far away
he's here in every breeze.
